DIMENSIONS COLLABORATIVE SCHOOL DRAGON TINKERBITS FLL AND TINKERBITS 2-CODERZ TEAMS WIN BIG!

- **San Diego, CA:** On December 12, 2021, the Dimensions Collaborative School Tinkerbits FLL (First Lego League) Robotics competed in the **southern California FLL Challenge Championships & FLL Explore Festival** and received the following awards and nomination:
 - **1st Place Remote Robot Performance Award** finishing with the highest score of 680 from the entire region, for both remote and in person League.
 - **2nd Place Innovation Project Award** and judges were again impressed by the teams' project and effort.
 - **GIA Global Innovation Nomination-** The Tinkerbits team was one of the region's four finalists moving on to the next competition scheduled in April 2022.
- **San Diego, CA:** On January 12, 2022, the Dimensions Collaborative School Tinkerbits 2 Team competed at the **CoderZ League** (Software Code Development) World Finals and received the **Excellence in Programming Award in the Junior division**. Only one team worldwide received this award in every division.

About Dimensions Collaborative School: Dimensions Collaborative School, a TK-12 tuition-free public charter school serving students throughout San Diego County – where students lead the way! Our WASC accredited school is authorized by the San Diego County Office of Education and serves students residing in all areas of the county.

Based on a model in which the community and world are our classroom, natural curiosity and self-determined education come alive through a variety of learning experiences ranging from project-based activities, home-study, and field trips to clubs, competitions, and global educational travel.
